Remaining spaces are filled on a first come, first served basis. If we receive your application after we have reached capacity, you will be notified that your son has been placed on our waiting list. ### ARRIVALS AND DEPARTURES

Campers may arrive at any time on opening day after 9:00AM. Campers are involved in activities after lunch on opening day, so please plan to be here by 12:30PM. On closing day, we require all campers be picked up no later than 1:00PM. We cannot accommodate campers prior to opening day or after closing day of a session. Campers arriving by airplane will be met opening day and transported on closing day to Asheville, NC or Greenville/Spartanburg, SC airports. Departure times need to be prior to 1:00PM on closing day. Make your air reservations early and ask about unaccompanied minor policies and charges for all campers under the age of 15. More detailed information concerning transportation and baggage is available on our website and will also be sent to each camper in mid-February.

## **HEALTH AND MEDICAL INFORMATION**

High Rocks does not carry health or accident insurance on individual campers. Services of our resident Registered Nurse and of the camp infirmary are included in the fee. Apart from the above services, the Camp does not assume responsibility for medical or dental costs incurred by a camper. Any medical bills incurred by a camper for treatment of illness or accident will be forwarded to his parents for payment. A current, completed camp health form and insurance information is required for all campers. Forms are available on our website and will also be mailed in mid-February. The form will also need to be filled out by your son's physician.

## **CABIN PLACEMENT POLICY**

You and your requested cabin mate must request each other. You should be approximately the same age and in the same grade. We will carefully consider mutual requests but cannot promise to place you as requested. Part of the camp experience involves making new friends from different places. We try to arrange cabins so that no more than two campers from the same area live in the same cabin.

## **CAMPER STORE ACCOUNT**

The camp fee is all-inclusive, including all camping trips, daily horseback riding, supply of crafts material, riflery and archery supplies, and professional laundry service. We ask that each camper have a store account for personal expenditures that may include stamps, batteries, camp T-shirt, lost toothbrush, etc. Campers in the August and Mini sessions should have \$60.00; the June and July Sessions campers should have \$75.00. We will keep a ledger of his account and return any unused balance on closing day.

## **MAIL AND PHONE**

All mail should be sent to PO Box 210, Cedar Mountain, NC 28718. Please include your camper's name on the envelope. You may call us anytime at 828-885-2153; our office is open each day from 9AM until 5PM. Please leave a message if we are not available; we will return your call as soon as possible.

We do not allow direct calls to campers and campers are not allowed to call home. We enjoy speaking with you to insure that your son has a positive and successful experience at High Rocks. We have found that parental calls interfere with your son's activity schedule and his adjustment to camp life. We encourage parents to communicate through letters, email, or faxes. Campers can only mail letters in return.

## **NO PACKAGES PLEASE**

In an effort to create non-competitive community, Camp High Rocks has a no package policy. Any packages received will be returned or held until the end of the session. Please inform family members and friends of this policy. If your son forgets to pack something, you may send these items to Camp c/o Townsend Birdsong.

## **VISITATION**

The biggest end result of attending High Rocks is self-reliance, independence, and self-confidence. Visits from family and friends interfere with this outcome, including that of your son and other campers who see parents visiting. For this reason, we do not allow visits during the camp session. We encourage parents to come closing day to see the facility and meet with your son, his counselor, the directors, and all his activity staff.

## **WHAT TO BRING**

High Rocks does not have a camp uniform. We recommend plain, durable clothes that are washable. We will send out a complete list in mid-February of what your camper needs to have at camp. Our website also has a packing list available under the "Parent Information" section, if you want to get an early start.

## **WHAT NOT TO BRING**

Campers should not bring any food, knives, weapons, animals, water guns, balloons, aerosol or spray cans, matches, or lighters. Cell phones, electronic games, wireless devices, computers or similar devices are not allowed. Tobacco products, alcohol, drugs or drug paraphernalia possession or use are grounds for dismissal from camp.

## **TRUNKS AND LUGGAGE**

Trunks and luggage may be shipped to camp. UPS and FedEx deliver directly to camp. Please use our shipping address: Camp High Rocks, 8551 Greenville Hwy, Cedar Mountain, NC 28718. Be sure to have it arrive at least one week prior to opening day to assure timely delivery.
